

## **FLEURCO**

### **SERVICE PRICE LIST (2018)**

Please note that the Fleurco installation program has improved – see attached price list. Image Globe now includes both pre-measure and delivery of the door, picked up at Pro-West Sales or at your showroom location, in their installation pricing. Please note that if customer uses Image Globe for a pre-measure, but not the installation of the door, the customer will be charged \$65 plus tax for the service. Should the customer not require a pre-measure and delivery, Image Globe will discount the customer 10% on the installation cost.

Should you have any questions or concerns, please don't hesitate to call.

Kind regards,

Alex Lowes
